COURSES FOR ALL LEVELS

Before starting a course, it is essential to know your language level so that we can set objectives based on your needs and expectations and offer you the most suitable course to achieve your linguistic aspirations.

"I already have some knowledge of French"

If you already have some knowledge of the language or have taken lessons in the past, we invite you to take our level test to assess your current fluency. Quick and free, the test will be our base to find your perfect course.

A CARING PHILOSOPHY

LET'S TALK ABOUT YOUR GOAL

Are you aiming to pass your fide test, improve your level for professional purposes, become more fluent in conversation or simply learn French for pleasure? Every objective and every student is different, so it is important to target your needs. That is why we think it's important to take the time to discuss your needs together.

BOOK OUR APPOINTMENT

Explain your objective to us by telephone or by meeting us at our offices. We look forward to hearing from you.

A method that suits you

The Language Corner adopts a communicative learning method. This means that once the theory has been covered, the practice comes straight in to consolidate in a fun way.

WHICH COURSE IS RIGHT FOR YOU?

FIND OUT ABOUT YOUR OPTIONS

To achieve maximum results, it is important to find a course that suits you and your everyday life. Since we all have our own pace and needs, we offer several course formulas so that everyone can find their ideal course! Which one is right for you?

INTENSIVE • 40h over 1 month

This intensive course offers you a solid, fast-track approach to learning French in just 4 weeks. During this 40-hour programme, you will be totally immersed in the French language to acquire all the tools you need to communicate independently. In a friendly, studious atmosphere, the small group of 5 people will be able to exchange ideas and express themselves with confidence and self-assurance.

SEMI-INTENSIVE • 3h per week

For sustained progress, choose our Semi-Intensive option, which allows you to attend classes for 3 hours a week. In small groups, you'll have the opportunity to put what you have learnt straight into practice, for fast, consistent results. During these 2 days per week, you will notice a productive French boost!

GROUP • 1h30 per week

This popular formula gives you a place in a small group of no more than 5 people, so you can progress at the pace of the term. For adults and children alike, our group courses are ideal for constant, fun learning in a group. Books, videos, audios, role-playing: you will love learning at The Language Corner!

VIRTUAL • 60 or 120 h

Developed at The Language Corner (TLC), this formula translates our communicative method in a virtual way to offer you more autonomous learning but always with support. Learn at your own pace through modules on the online campus, videos from our teachers, live lessons and consolidation exercises. Flexible, effective and always fun, you'll rediscover online courses!
