# Who are we?

Founded in 2018 and certified with the Eduqua label since 2024, The Language Corner Switzerland sàrl is a 9-language school and an accredited centre for official examinations such as the fide test, TEF, DFP for French and the DELE diploma for Spanish. With centres in Vevey and Montreux, we offer a range of face-to-face and online courses to suit as many students as possible, because we know that everyone has different needs and objectives. Our focus is on you.

## More than a method, a philosophy

At The Language Corner Switzerland, our communicative approach goes beyond simple language courses. It is based on a philosophy centred on practical, human learning, enabling learners to develop natural oral fluency while gradually consolidating their theoretical foundations. Our courses create a friendly and motivating environment, with personalised follow-up that encourages independent work and ensures continuous progress. With our personalised programme, your employees will learn to:

- **Perfecting 1st telephone contact:** Making and transferring calls.
- **Respond to written requests:** clear, relevant and professional writing.
- **Develop specific themes for professional presentations.**
- **Master oral contact with a potential customer:** realistic simulations.
- **Making rapid progress:** Follow-up according to the CEFR (A1 to C2) or exam preparation.

**Our experienced teachers will help your teams achieve their professional goals, boosting their effectiveness and confidence in an international environment.**

## We're listening!

From the very first meeting, we identify your needs to create a tailor-made training programme aligned with your professional objectives, and assess the level of your employees. Share your expectations, and together we'll design a programme adapted to each level.

**Let's talk about your language goals**

# Investing for guaranteed success

The Language Corner Switzerland supports companies and public institutions with customised language training to boost the performance of your teams on several levels:

- **Fluid communication:** Promote effective international and intercultural collaboration and reduce communication errors.
- **Access to new markets:** Develop solid relationships with foreign customers and partners to increase your business opportunities.
- **Optimal customer service:** Offer superior service, boosting customer loyalty and satisfaction.
- **Increased productivity:** Reduce decision times and increase efficiency.
- **Enhanced employer brand:** Attract and engage talent with tailored, attractive and motivating training.

Thanks to our flexible, practical approach, your teams will quickly achieve their professional goals. By choosing The Language Corner Switzerland, you are investing in the competitiveness, growth and motivation of your staff.

Let's test the level of your teams online!

## Certified skills

At the end of each course, a certificate of achievement is awarded, attesting to the skills acquired according to the CEFR. As an accredited centre, we also issue official certifications (TEF, DFP, fide test, DELE), validating skill levels in a professional context.

## An official guarantee of quality

# A bond of trust

Our language school has successfully helped dozens of Swiss and international companies and public institutions to develop their teams' language skills. Whether in the health, tourism, finance, technology or education sectors, our partners have placed their trust in us to offer tailor-made training courses adapted to their professional needs. Thanks to our flexible, results-oriented teaching methods, we have helped employees improve their foreign language skills, boosting their performance and competitiveness on the international stage.

Our approach is based on quality, flexibility and the relationship of trust that we maintain with each of our clients. They regularly testify to the tangible benefits of our training courses, whether it's strengthening communication within their teams or improving their interactions on an international scale. Rely on our expertise to develop your employees' linguistic potential.

*Your success, our commitment.*

## Our students speak out

Our students testify to the confidence, communication skills and opportunities they have gained through our courses. Their satisfaction, with an average rating of 4.9/5 on Google Reviews and over a hundred reviews, is our greatest pride and guarantee of quality.
